

Picayune Fundraiser & Campout!

Oct. 21-23 Friday-Sunday

Naples, Fl.

Ozzie Alvarez, was a devoted firefighter who selflessly volunteered on 9-11, aided in hurricane relief efforts, was an expert horseman and always a fixture on Yellow, his golden palomino, at the campsites, rides and cattle drives. All his accolades are too vast to list here, but his courage and integrity will always be remembered. Picayune Strand was his favorite place to camp with his family, horses and dogs.

The Ozzie Alvarez Memorial Fund needs more help to reach it's goal for the pavilion in his honor at Picayune State Forest Belle Mead Trailhead. Please join us for a great weekend & a great cause!!! Come for the day if you can't stay for the weekend.
